THOMPSONS FOOD SERVICE LTD

Thompsons Food Service is run by three generations of butchers, with over 60 years experience in supplying not only to retail customers but the catering industry. We rear our own poultry on our own farms mainly for the festive period. We supply a large number of catering establishments such as 5 Star Restaurants, Cafes, Nursing Homes, Schools and Holiday Parks to name just a few.

Along with around 6,000 different products, we also supply a wide range of fresh fruit and vegetables, including vegetables prepared in our own on-site preparation area at the customer's request.

We deliver seven days a week mainly to the Great Yarmouth area. We take orders for same day delivery to the local area, but larger orders should be placed the day before required or left overnight on the answer phone.

The Cash and Carry is also open to the public seven days a week with free car parking available.

It is our company's aim to supply wholesome products, which are competitively priced to encompass the various food sectors of the market place. We have a broad spectrum of products that are suited to the various levels of customer requirements whether it is price sensitive or to an exacting specification.
