Date Produced: 19/06/2026

Ingredients

Sugar, Anti-caking agent:E341(III)

Handling Information

Directions for Use

n/a

Storage Instructions

To be stored in dry, ambient conditions, avoiding extremes of temperature and humidity. Icing sugar will remain in good condition if stored in a cool, dry place. However, to reduce problems with the sugar lumping, we suggest use within 2 months and avoid double stacking pallets. Sugar, especially milled sugars, can absorb odours so should not be stored next to products with strong odours.
