Handling Information

Directions for Use

Cap instructions: To remove cap: Place bottle on a firm flat surface. Grip cap and turn anti-clockwise. To replace cap: Place bottle on a firm flat surface. Grip cap and screw clockwise until tight. Directions for use: Use through designated automatic closing systems only. Exact application rate will depend on local conditions. Typically dose at 20mls per 5ltr of refill or manufacturers instructions. Always ensure your water softener is well maintained. Remove build up of debris from the filters at regular intervals. Ensure the rinse cycle is running at the right temperature (60.c). Do not use for hand dishwashing.

Storage Instructions

Storage: Store sealed in original container in a cool, dry place away from sunlight.
