

Kellogg's Cornflakes Portions 24g - Information

It's the simple pleasures in life we cherish the most, like the unbeatable taste of Kellogg's Corn Flakes, still the original & best** tasting Corn Flakes. Each flake is simply a kernel of real golden corn, responsibly sourced* and ripened in 140 days of sunshine, then rolled and toasted to give you that iconic golden crisp crunchiness. Enriched with 6 B vitamins and iron whilst also providing 50% of your recommended intake of vitamin D per 30g serving. And, with no artificial colours or flavours, they're perfect for the whole family. Brighten their day, or night, with a bowl of golden sunshine. *Find out more about our responsibly sourced corn initiatives at www.kelloggs.com **Source: independent survey by MMR, June 2018, tested against 85% of the flakes products in UK/ ROI. Online survey with 1,000 consumers
