Handling Information

Directions for Use

Cap Instructions: To remove cap: Place bottle on a firm flat surface. Grip cap and turn anti-clockwise. To replace cap: Place bottle on a firm flat surface. Grip cap and screw clockwise until tight. Directions for use: Kettles: Fill the kettle to two thirds with warm water. Add 150ml of Descaler. Leave until the fizzing stops or overnight. Empty and rinse thoroughly. Repeat if necessary. Coffee Machine: Pour 150ml into the machine reservoir and top up with 600ml of fresh water. Switch the machine on and run it for a few seconds to prime. Leave for an hour and then run through the remainder of the liquid. Rinse through several times with fresh water. Steam Irons: Do not descale a hot iron. Refer to the manufacturers cleaning instructions. Add 50ml of Descaler and top up with warm water. Set the iron over a sink to run the solution through. Switch off and leave for an hour. Empty out remaining fluid and flush through several times with De-ionised water on Steam function. Shower heads: Add 50ml of Descaler to 250ml of warm water in a suitable container. Submerge the showerhead - inspecting periodically until all scale has been removed. Rinse through thoroughly.

Storage Instructions

Storage: Store sealed in original container in a cool, dry place away from sunlight.
