# THOMPSONS FOOD SERVICE LTD

Thompsons Food Service is run by three generations of butchers, with over 60 years experience in supplying not only to retail customers but the catering industry. We rear our own poultry on our own farms mainly for the festive period. We supply a large number of catering establishments such as 5 Star Restaurants, Cafes, Nursing Homes, Schools and Holiday Parks to name just a few.

Along with around 6,000 different products, we also supply a wide range of fresh fruit and vegetables, including vegetables prepared in our own on-site preparation area at the customer's request.

We deliver seven days a week mainly to the Great Yarmouth area. We take orders for same day delivery to the local area, but larger orders should be placed the day before required or left overnight on the answer phone.

The Cash and Carry is also open to the public seven days a week with free car parking available.

It is our company's aim to supply wholesome products, which are competitively priced to encompass the various food sectors of the market place. We have a broad spectrum of products that are suited to the various levels of customer requirements whether it is price sensitive or to an exacting specification.

Serving suggestion

## There's no topping this...

When it comes to finishing your desserts with flair and flavour, our o.t.t® Salted Caramel Dessert Topping is in a league of its own.

Its sumptuous salted caramel taste is ideal for drizzling over ice creams, churros, waffles and cheesecakes. It also works wonderfully in yoghurts, on pancakes, with porridge – and even in milkshakes.

The squeezable bottle and convenient nozzle makes it quick and simple to use in any situation. And when the bottle's empty, its packaging has been recently redesigned for even better recyclability. So when it comes to smart and scrumptious pudding toppers, our o.t.t® Dessert Toppings pip the competition.
