800-931/08.10.18

INSTRUMENT OPERATION - This stainless steel oven thermometer can be free-standing or hung from a shelf and should be positioned in the middle of the oven for the most accurate temperature reading. The green marker indicates the minimum temperature that heated display units should be kept at.

FR - FONCTIONNEMENT DE L'INSTRUMENT

Le thermomètre du four en acier inoxydable peut être posé ou accroché sur une étagère et doit être positionné au milieu du four afin d'obtenir une lecture de la température la plus précise possible. Le témoin vert indique la température minimale à laquelle les éléments d'affichage chauffés doivent être maintenus.

DE - GEBRAUCHSANWEISUNGEN

Dieses Edelstahl-Ofenthermometer kann freistehend verwendet oder an ein Rost gehängt werden. Es sollte sich in der Mitte des Ofens befinden, um eine möglichst genaue Temperaturmessung zu ermöglichen. Die grüne Markierung zeigt die Mindesttemperatur an, auf der beheizte Display-Geräte gehalten werden sollten.

IT - FUNZIONAMENTO DELLO STRUMENTO

Questo termometro da forno, in acciaio inossidabile, può essere appeso a un ripiano o mantenuto in autonomia. Per una lettura ottimale, posizionare lo strumento al centro del forno. Il marcatore verde segnala la temperatura minima a cui mantenere gli elementi caldi.

PT - MANUSEAMENTO DO INSTRUMENTO

Este termómetro de forno, em aço inoxidável, pode ser colocado numa posição livre ou pendurado numa prateleira, devendo ser posicionado na secção central do forno para se poder obter leituras de temperatura com maior precisão. O marcador verde indica a temperatura mínima que deve ser mantida nas unidades com visor aquecidas.

ES - FUNCIONAMIENTO DEL INSTRUMENTO

Este termómetro de horno hecho de acero inoxidable puede colocarse solo o colgarse en una balda y debería disponerse en el centro del horno para obtener una temperatura más exacta. El marcador verde indica la temperatura mínima a la que deben mantenerse las unidades calientes.

GUARANTEE - This instrument carries a one-year guarantee against defects in either components or workmanship. During this period, products that prove to be defective will, at the discretion of ETI, be either repaired or replaced without charge. The product guarantee does not cover damage caused by fair wear and tear, abnormal storage conditions, incorrect use, accidental misuse, abuse, neglect, misapplication or modification. Full details of liability are available within ETI's Terms & Conditions of Sale at etild.com/terms. In line with our policy of continuous development, we reserve the right to amend our product specification without prior notice.
