THOMPSONS
FOOD SERVICE LTD

THOMPSONS FOOD SERVICE LTD

THOMPSONS FOOD SERVICE is run by three generations of butchers, with over 60 years experience in supplying not only to retail customers but the catering industry. We rear our own poultry on our own farms mainly for the festive period. We supply a large number of catering establishments such as 5 Star Restaurants, Cafes, Nursing Homes, Schools and Holiday Parks to name just a few.

Along with around 6,000 different products, we also supply a wide range of fresh fruit and vegetables, including vegetables prepared in our own on-site preparation area at the customer's request.

We deliver seven days a week mainly to the Great Yarmouth area. We take orders for same day delivery to the local area, but larger orders should be placed the day before required or left overnight on the answer phone.

The Cash and Carry is also open to the public seven days a week with free car parking available.

It is our company's aim to supply wholesome products, which are competitively priced to encompass the various food sectors of the market place. We have a broad spectrum of products that are suited to the various levels of customer requirements whether it is price sensitive or to an exacting specification.

CONTACT DETAILS

WE HAVE A TEAM of staff with a vast knowledge and experience in the meat and catering trade. All our staff are trained on health and hygiene as a minimum requirement.

Our purpose-built temperature controlled processing area is to a standard of its own, with our butchers' expertise and extremely high standards of hygiene we offer peace of mind when it comes to the food you will be serving.

Coca-Cola Great Britain

Coca-Cola EUROPEAN PARTNERS

OUR CORE RANGE* IS NOW MADE FROM 50% RECYCLED PLASTIC

Saving 21,000 tonnes of virgin plastic every year. But that's only half the story. We're the biggest user of recycled food grade plastic in the UK. And we're on a journey to using 100% recycled plastic. But to make this happen we need more bottles back. That's why we support a well-designed deposit return scheme. We want it to be easier for everyone to recycle.

Together we recycle.

*Brands including Coca-Cola, Coca-Cola Zero Sugar, Diet Coke, Fanta, Sprite, Dr Pepper, Lilt, Schweppes Sparkling Mixers, Oasis, and Powerade with rest of the Company's portfolio (Glaceau Vitaminwater, Schweppes Cordials, & Rose's Lime Cordial) following later in the year. Glaceau Smartwater is already available in the UK with 100% recycled plastic bottles.
